

PROTECT YOUR BUSINESS AGAINST POWER BLACKOUTS

ACOUSTIC CANOPIES

Extreme weather, construction, and many unforeseen complications and accidents can interrupt the electrical service to your business. Unexpected power blackouts can be costly, unsafe and a major inconvenience.

With a Welling & Crossley standby generator you can rest assured that you will have all the necessities, comfort and convenience you depend on to run your day-to-day business activities.

Welling & Crossley manufactures high quality standby diesel gensets for commercial and industrial use. Ranging from 6kVA to 660kVA to suit any application, our Diesel Generators come with the option of Manual Start, Remote Start and/or Automatic Start.

DIESEL GENSETS

We also offer Acoustic Canopies for noise reduction and weather protection, Mains Failure Control Systems for emergency power start-ups during power outages, as well as Trailer Gensets for convenient transportation.

Contact your nearest branch today to discuss your power supply options with one of our friendly staff.

TRAILER GENSETS
